In May, it's the Director's Cut of the Samurai X (Rurouni Kenshin) OVA, Trust/Betrayal - now on a single DVD and including extra footage never before seen in the US! And then in June comes the Cowboy Bebop Movie: Knocking on Heaven's Door; an all new adventure with the Bebop crew as they chase after a mysterious terrorist. But if you're looking for something new to spark your interest this month, don't miss volume 2 of the intense .Hack//Sign, or check out a long-awaited newcomer to American shores: the Sakura Wars TV series!

COMING JUNE 24, 2003

ANIMANIAC'S PICK(S) OF THE MONTH

Making waves this month is RahXephon DVD 2: Tonal Pattern. What is the Mu? And why is Ayato mysterious linked with the gigantic RahXephon? What are Reika Mishima's real goals for Ayato and RahXephon? Join in with this intense and beautifully designed story from BONES, the same studio that brought you the Cowboy Bebop Movie: Knocking on Heaven's Door. Then it's a priority #1 Please Teacher DVD!! Up until now, Kei only had to worry about catching up in his schoolwork and not letting himself get stressed out. Now, he has a new teacher and a new bride. Lucky for him, they are the same person. Unlucky for him, she's an alien and he can't let his friends know about his marriage.
